London, July 18. Dancing in four of the city of Northampton, but specified by parks of London is one of the inspection of the present aummer season. The "floor" is an inclosure not far from the bandstand, and velvet jacketed parkscepers appear to act as masters of ceremonies. The first dance is at 6 p. m. It costs a penny for a programme, which gives one the pitylinge to dance. It was much in vogue in the seventeenth and eighteenth centuries, when according to one historian, "the practice of kissing formed an essential part of the dance and a more and seems to have added greatly to the popularity of the pastume." Lindon, July 18. Dancing in four of the city of Northampton, pudding or fruit tart, which is protected the emigrating Wash-vided for 1 cents. Sausages and master who stook leave of the family, the potations are the same price, while the members of a cut from the Mayor and local officials of Northampton, all officials of Northampton, also in robes. A reception and local officials of Northampton, and emigrating Wash-vided for 1 cents. Sausages and master between the protection of the lamily, the point, vegetables and a pudding, support of the bandstand, and velvet in the Guidhall. The Mayor and committee members are wanted in the West End, where then visited the country seat of fart large numbers of gris are employed in the dreamaking and tailoring trades, to the Washington shrines. **CARAVANING IN ENGLAND** **CARAVANING IN ENGLAND** **MORE AND MORE POPULAR** **MORE AND MORE POPULAR**
